

## Thank you for your enquiry, regarding the proposed: **DESERT EXPERIENCE ADVENTURE DAY.**

Join us for a Desert Adventure at the stunning nature reserve at Atlantis (approx 40 minutes from Cape Town Central). This idyllic location often used by the film industry, offers incredibly white sand dunes, unique views of Table Mountain and the City and gives people that incredible wide-open feeling of Africa. The Adventure day can consist of these and other unforgettable activities:

**Quad-bike** through the twisting trails and blast across sand and bush; the dunes offer climbs, descents, technical sections and flat-out straights across 5sq Km's of perfect white sand.

Reaching speeds of up to 80 km per hour, find out what your machine's got, or take it easy and enjoy the awesome scenery.

**Sandboarding** is an easy to learn exhilarating activity that anyone and everyone can enjoy. Our expert guides will give a full introductory lesson based on snowboarding techniques and will give hands-on assistance during the entire day. We use specially modified, imported snowboards and boots giving participants a great sense of speed and excitement with a low-level skill requirement and high safety level.

**Tobogganing** Down the steep dunes on our lie-down boards is a fun and simple adventure activity that will bring out the 'kid' in everybody. Its also adrenaline filled, pushing your limits and overcoming fears.

**Laser Skeet Shooting** it's the perfect corporate team-building activity. Perfectly safe, using modern technology incorporated with traditional trap skeet firing devices. Real shotguns modified to shoot infrared bullets at real flying targets thrown from a launcher.

**Power Kites.** Experience the thrill of flying a large power kite. Our expert instructors will teach you the basics in this perfect, safe environment.

**4x4's.** Let our professional drivers give you the ride of your life through the twisting bush trails and incredible dunes of the west coast.

**Beach Volleyball** We'll setup a court either on the dunes, or at a beach setting if you are having post event catering and organise a great inter-team volleyball challenge.

**Tug-of War** The ultimate way to finish the day's challenges and to determine overall winners of any contest!

**Bedouin Tented areas.** Nothing completes the desert experience quite like a free-form Bedouin style tent. We also have various catering options including buffets, braai / spit braai, gourmet picnics and hampers. We can even provide DJ's, live artists, performers- pretty much anything you can imagine!

Why not let us organise an **amazing fish braai** at a restaurant on the beach 45 minutes out of Cape Town with the following menu:
